

Cheryl Yelverton, M.D., P.A.

SURGICAL ONCOLOGY & GENERAL SURGERY

PATIENT BILL OF RIGHTS

Cheryl Yelverton, M.D., P.A. feels that each patient has basic rights for independence of expression, decision and action in concern for their individual personal dignity with regards to their medical care. We feel that it is our responsibility to assure that you have the opportunity for this decision making process.

Each patient has the right to:

- Access to care
- Respect and dignity
- Privacy and confidentiality
- Personal safety
- Identity of health care providers
- Information
- Communication
- Informed consent
- Consultation
- Refusal of treatment
- Transfer and continuity of care
- Disclosure of fee schedules
- Office policies and procedures
- Participation in ethical issues
- Withholding or withdrawal of life-sustaining treatment
